

"YOUR PASS TO YOUR POTENTIAL"
A New Innovative Secondary School for Pasifika by Pasifika

21 June 2018

Greetings Family,

As of Monday the 25th June, phones will not be allowed on students during the school day. We have tried to work with students to be responsible with phones, but are experiencing too many inappropriate incidences, therefore we will now set a blanket rule for all.

Any phone brought on to the site must be handed in to the office for safe keeping. If a student is found with a phone during the day, it will be confiscated and an adult will need to come to the office to retrieve the phone. There are no exceptions. Please help your son or daughter follow this new process.

A reminder that emergencies or important messages can go through the office on 092760375, 080080PASS, email office@pass.school.nz or jeanieh@pass.school.nz. Please do not leave urgent messages on our facebook page.

Ma le fa'aaloalo lava,

Falefatu Enari
Co-Principal
