

"YOUR PASS TO YOUR POTENTIAL"
A New Innovative Senior School for Pasifika by Pasifika

COVID-19 Forward Planning

Warm Pacific Greetings Famili,

We wish to thank you all for your diligence in sending your sons/daughters to school or to medical check ups at this time of uncertainty with the Coronavirus. One of the things we are working on is what will be needed to ensure students are able to continue learning IF the government or the Ministry of Education were to close schools for a period of time due to COVID-19.

Over the next two days, we will contact you to get your answers to the following questions:

1. Will your son/daughter be able to access a device (ipad, tablet, or computer) to participate in online learning at home?
2. Do you have internet access at home?
3. If our school is to close down for a period of time because of COVID-19, will there be an adult at home to supervise your son/daughter if they are under the age of 16 years old?
4. Is there any other reason why your son/daughter will not be able to do online learning at home?

Understanding the answers to these questions will help us to work through the supports that may be needed to enable this to happen should it be required.

Please respond to these questions and return your answers promptly to your village parent or the office as soon as possible. Thank you for your cooperation in this matter.

Our sincere regards,

Ala'imalo Falefatu and Parehuia Enari
