Re : Onsite learning - 2 day Cancellation

We are writing to advise that today, we identified a positive case who was part of the ONSITE learning group on Monday and Tuesday and would have either been infectious at the time or caught it from somebody who may have been infectious. This case tested negative covid results on and before Monday 21st of March.

Therefore ONSITE learning or senior assessments at PASS is cancelled tomorrow, Thursday 24th and Friday 25th March. This will allow the Mana Awhi team to cross check student lists and RAT's test results. These classes will restart on Monday 28th March strictly for those who are well.

If your son/daughter attended PASS from Monday 21st through to Wednesday 23rd March we strongly advise that you monitor their wellness and get tested if showing covid symptoms. RAT's tests and masks are available at the school office, please call 09 2760375 to arrange a contactless pick up.
