# PACIFIC ADVANCE SECONDARY SCHOOL

AN INNOVATIVE SECONDARY SCHOOL FOR PASIFIKA BY PASIFIKA

16 October 2023

## ***Warm Pacific Greetings...***

Term Three was a time of exploration and growth for our talavou as they delved into their future aspirations through the Mana Langi learning theme. We applaud their hard work on internal assignments and practice assessments, preparing them for the final exams in Term Four. Your dedication makes us immensely proud.

Some Year 13 students have already embarked on their 2024 learning paths, and we extend our warm congratulations to them and their families. Mālo le finau.

In Term Four, we embrace the "Mana Moana" learning theme, guiding our talavou towards the culmination of their academic year. The key ingredient to their success is simple: attendance. Our Uncles and aunties have supported them tirelessly, and now it's their turn to finish the race, finish strong, and maintain a 90% attendance rate.

At PASS, we keep the success formula straightforward where being at the right time, place, and gear has proven effective. Now, our talavou needs to focus on nurturing the right attitude to tackle daily challenges. Encourage good social decisions, like maintaining healthy routines, sleep, and nutrition, and fostering great friendships.

We appreciate your unwavering support and are grateful for our dedicated Board. If you have questions about your child's progress, please contact your village parent to arrange a meeting with the teachers. Thank you for being a part of our PASS family.

God bless,
